PUBLIC COMMENTS

Joe Abate, of Burgettstown, questioned the Board regarding the Veterans Director position and if the position is going to be filled anytime soon.

Co-Chairman Burns stated the position will be advertised and someone will be hired immediately for the Veterans Office.

Mr. Abate thanked the Board for their immediate attention in this matter.

Harry Sabatasse of Smith Township questioned the Board regarding the elected officials pay raises and when the Board plans to possibly rescind the action that was taken to grant these pay raises.

Commissioner Irey noted for the record she has made it known in the past and now she would be in favor of rescinding the pay raises.

Mr. Sabatase also addressed the Board regarding the veterans director position and stated the person who was hired sued Washington County then was re-hired and now is on permanent disability at the expense of the taxpayers.

Co-Chairman Burns noted this matter is a personnel issue and not open for discussion. He also cautioned Mr. Sabatase about the concept of defamation of character.

John Adams of Avella stated he would like a water line extension in the Avella area and commented on tax increases in the state of Pennsylvania.

Carl Maggi of Claysville stated he would like to defend the Board of Commissioners. He noted he attends the meetings with an open mind only to hear public comments verbally assaulting the Board with no grounds to do so. Mr. Maggi said these particular comments are a waste of the Commissioners' time and a disservice to the citizens of the county. He stated these public comments are being disguised as a personal attack on the Board. Mr. Maggi respectfully requested the next time public comments are made to assault the Board, the speaker should prepare to present legitimate issues and not personal vendettas.

Mr. Maggi thanked the Board for all their support given to the veterans of the county and stated the veteran groups would be more than happy to assist in anyway possible with the veterans director position.

Mr. Maggi noted the Board is doing a great job.
