

Delta Dental's Veterans Affairs Dental Insurance Program (VADIP)

Enrollment Commitment

- Initial 12-month commitment
- Continuing month-to-month
- Automatic renewal
- Coverage will be effective the first day of the month after receipt and acceptance of the application, beginning 1/1/14

For the first time in history, the U.S. government has authorized a national dental insurance program for Veterans enrolled in VA healthcare and individuals enrolled in VA's Civilian Health and Medical Program (CHAMPVA). Here are just a few facts to show you why Delta Dental's VADIP is the best choice for your dental care:

Affordability

- You'll receive quality dental care at a price you can afford. Premium rates will vary depending on your geographic region and the plan option you select. Visit deltadentalvadip.org for your specific program rates.

Expansive dentist network

- You'll experience maximum cost savings when you see a PPO network dentist. With your visit to a PPO dentist, services like cleanings, exams and x-rays are covered at 100%, with no deductible!
- Because PPO dentists accept lower fees for covered services, you'll always pay less for your dental care by visiting a network dentist.

Freedom of choice

- You can decide which plan design best meets your needs: Standard, Enhanced or Comprehensive.
- Whichever plan you choose, you're assured of getting superior dental care under Delta Dental's VADIP.

Value

- We value the service you provided to our country. Now, we have an opportunity to serve you.
- It's our goal to provide you with a dental benefits program that provides the best value and service available.

Easy enrollment

- Go to deltadentalvadip.org.
- Don't have Internet access? Visit your local Veterans Affairs center to pick up an application that can be mailed.

Convenient online services

- Once you're enrolled in Delta Dental's Veterans Affairs Dental Insurance Program you'll be able to check your benefits, verify your eligibility, view your claims status and print a program enrollment card.
- All these services and more are available online, at your convenience at deltadentalvadip.org.

Reputation

- Delta Dental has been dedicated to providing quality dental benefits programs for more than 50 years.
- Administering dental benefits is all we do — and it's what we do best.
