

Notes:

- 1. For collection event, up to 3 lanes will be created to help stack traffic off of Main Street.**
- 2. Once in a lane, 8 to 10 cars will be taken from EACH LANE in sequence to help alleviate any backups onto Main Street (number and lanes will be directed by a volunteer near the top of the lanes).**
- 3. When you are assigned to a lane, PLEASE STAY IN THAT LANE. Failure to do so will increase your wait time.**
- 4. If lanes are full, please DO NOT TRY TO LINE UP ON MAIN STREET. We ask that you come back after 15 minutes so lanes can be opened.**

We thank you for your cooperation and patience!

*These maps were created from Washington County's Geographic Information System (GIS) and include data from various municipal, county, state and federal sources, which may contain errors. Maps should not be used for exact measurement of distance, direction, ground position, precise location of geographic features, or a vulnerability assessment at a specific location. Maps are provided "As-Is" without warranties of any kind, either expressed or implied, and are intended for use only at the published scale. Detailed on-the-ground surveys and historical analyses of sites may differ from these maps.
