Sum:	81

### Important Notice:

Keep in mind that our office has jurisdiction over the place where death occurs. This is not always the same place where the incident leading to death occurs.

Because Canonsburg, Monongahela, and Washington have hospitals, these municipalities may show a comparatively high number of overdose deaths.

For your convenience, hospital deaths are tallied separately:

CBG= Canonsburg Hospital

MVH=Mon Valley Hospital

WHS= Washington Health System
